Unit 3: Writing Skill

Useful Vocabulary

- **nursing**
- **nurse**
- **patient**
- **patient care**
- **healthcare**
- **healthcare professional**
- **symptom**
- **pain**
- **medical history**
- **diagnosis**
- **treatment**
- **medication**
- **procedure**
- **communication**
- **empathy**
- **advice**

- **healthcare team**
- **health**
- **wellbeing**
- **clinical practice**

Useful Expressions

- **Nursing plays an important role in...**
- **Patient care is essential because...**
- **Nurses are responsible for...**
- **Effective communication helps...**
- **One important aspect of nursing is...**
- **For example,...**
- **Nurses need to communicate clearly when...**
- **Empathy is important because...**
- **In my opinion...**
- **I believe that...**
- **In the future, nurses will...**

Self-Assessment Checklist

Before submitting your work, ask yourself:

- ☐ **Did I write between 150 and 180 words?**
- ☐ **Did I answer all parts of the question?**
- ☐ **Did I organise my ideas into clear paragraphs?**
- ☐ **Did I use vocabulary from this unit?**
- ☐ **Did I include linking words?**
- ☐ **Did I give at least one relevant example?**
- ☐ **Did I check my grammar, spelling and punctuation?**

 Optional Challenge

Imagine you are a nurse working in a modern hospital in 2040. Describe how communication with patients has changed, explain one new technology that nurses use to improve patient care, and describe how it benefits patients.

Use your imagination while applying the nursing and healthcare vocabulary from this unit.
