Task: Match the Nursing Situations (A–E) with the Correct

Match each nursing situation (A–E) with the correct description (1–5).

Nursing Situations

- A. Greeting and introducing yourself to a patient
- B. Asking about symptoms
- C. Taking a patient's medical history
- D. Giving instructions to a patient
- E. Showing empathy and reassurance

Descriptions

1. Asking questions about previous illnesses, medical conditions, allergies and medications.
2. Welcoming the patient, saying your name and explaining your role.
3. Listening carefully to the patient and showing understanding and support.
4. Asking the patient to describe problems such as pain, fever, nausea or difficulty breathing.

5. Explaining clearly what the patient needs to do before, during or after a procedure.

Answers

A – 2

B – 4

C – 1

D – 5

E – 3
